International Award

Principles of the QC100 Total Quality Management Model

Commitment of Xavier Institute of Management Bhubaneswar (XIMB) to Quality

Our company accepts quality as a factor of development to become more competitive.

Xavier Institute of Management Bhubaneswar (XIMB) is committed to publicizing this Quality Culture with employees, suppliers, clients and the community, supported by the QC100 Total Quality Management Model, the principles of which are the following:

1 Quality is a consequence of valuing customer satisfaction and obtaining positive business results.

2 Meet the quality levels established in the company in accordance with the QC100 Points of Quality.

3 Encourage participation and teamwork for decision making.

4 Satisfy the needs of our clients and meet their expectations.

5 Provide human resources, both technical and economic, to achieve continuous improvement and respect for the environment.

6 Manage human resources in our company to achieve maximum potential.

7 Make employees aware of the importance of concentration on the most profitable areas of activity, to achieve the best business results.

The achievement of these seven principles by Xavier Institute of Management Bhubaneswar (XIMB) will foster improvement for clients, employees, suppliers and all of the other persons who make up the company.

"And the fruits will outdo what the flowers have promised"

Paris, October 16, 2016

Vice-Chancellor & Director
Xavier Institute of Management Bhubaneswar (XIMB)

The criteria expressed in this document is the ideological support of the World Quality Commitment Award, administered by B.I.D. Business Initiative Directions, endorsed by the QC100 Total Quality Management Model and implemented during the Quality Mix program.

BID GROUP ONE

Leaders United by BID Quality Achievement

Xavier Institute of Management Bhubaneswar (XIMB), from India, winner of the BID World Quality Commitment Award in Paris 2016

Paris hosted this year's BID World Quality Commitment Convention, where professionals and business leaders from around the world gathered to recognize excellence and success. In particular, the convention celebrated quality in business and operations. Award winners demonstrated commitment to the criteria of the QC100 TQM Model, which helps bolster customer satisfaction and cost efficiency across all areas of operation.

Among this year's winners, Prof. Dr. Paul Fernandes of Xavier Institute of Management Bhubaneswar (XIMB), from India, received the World Quality Commitment Award in the Diamond Category at the BID Quality Convention in Paris. The organization has made huge strides this year as a leader not only within its sector, but also in India. The Award came as an ideal way to celebrate this past year's successes while looking forward to putting quality first in the year to come.

Xavier Institute of Management Bhubaneswar (XIMB) won the World Quality Commitment Award in the Diamond category in Paris in the presence of leaders and representatives from 43 countries at the World Quality Commitment Convention. The prestigious award is presented in recognition of business excellence and innovation. From left to right: Prof. Dr. Alfonso C. Casal, Scientific Director of BID, Jose E. Prieto, President and CEO of BID, Prof. Dr. Paul Fernandes, Vice-Chancellor & Director of Xavier Institute of Management Bhubaneswar (XIMB), Norman Ingle, President of the Quality Mix and Devin Savage, Head of Quality Research.

Prof. Dr. Paul Fernandes stood before the gathering of international leaders, sharing the company's achievements to date as well as its future ambitions and goals. Despite the difficult current global economic climate, Xavier Institute of Management Bhubaneswar (XIMB) strives to excel in quality each day, creating a competitive advantage in its industry. For this reason, Xavier Institute of Management Bhubaneswar (XIMB) won the 2016 BID World Quality Commitment Award in Paris. The Award is presented by BID to those companies and organizations from around the world that best adhere to excellence and innovation in their practices, putting quality first at all levels of organization.
